THIS MONTH

Quick look ahead:

May 4th – Journal Club

May 11th – QSE Seminar

May 15th – QSES Study Session

May 28th – Escape Room Social Event

May 29th – End of the semester Potluck

April Events:

End of the Year Potluck

Join us **May 29th** for a potluck to celebrate the end of the Spring semester! Details regarding the time and place are still being finalized, so be on the lookout for an email soon.

Social Events

- QSES Study Session – **May 15th, 2–4pm (Sharp Lab Grad student lounge)**

Join us for a productive afternoon as we prepare for the end of the semester. This will be your time to get any final assignments submitted, grading done, or data analyzed, all with some good company!

- Escape Room – **May 28th (time tbd)**

Join us for a fun evening of puzzles and problem solving as we blow off some steam with an escape room.

In April we:

- Hosted a joint coffee hour with PAGSS and MSEG.
- Talked with excited middle school students from the area about the wonders of quantum science.

If you want to get in on the fun, feel free to join us in any of the QSES, QSE, or related events!!
